

as advances in pain management, cultural sensitivities toward final stages of life, organ donation, advance directives, and end-of-life care options and financing.

For more than a century, D.O.s have made a difference in the lives and health of my fellow citizens in southeast Ohio and all Americans. Overall, more than 100 million patient visits are made each year to D.O.s. As fully licensed physicians, D.O.s are committed to serving the needs of rural and underserved communities. That is why D.O.s make up 15 percent of the total physician population in towns of 10,000 or less.

Osteopathic physicians are certified in nearly 60 specialties and 33 subspecialties. They complete similar requirements set for M.D.s, and must complete and pass: four years of medical education at one of 19 osteopathic medical schools; a one-year internship; a multi-year residency; and a state medical board exam. Throughout this education, D.O.s are trained to understand how the musculoskeletal system influences the condition of all other body systems. Many patients want this extra education as a part of their health care. Individuals may call (866) 346-3236 to find a D.O. in their community.

In recognition of NOM Week, I congratulate the over 3,300 D.O.s in Ohio, the 416 students at Ohio University College of Osteopathic Medicine (located in my district), and the 47,000 D.O.s represented by the American Osteopathic Association for their contributions to the good health of the American people.

#### ON THE PASSING OF FORMER VIRGINIA CONGRESSMAN TOM DOWNING

#### HON. FRANK R. WOLF

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 15, 2001

Mr. WOLF. Mr. Speaker, we honor today the memory of Thomas Downing, a former member of Congress from the Tidewater area of Virginia who died October 23 at the age of 82. I join with fellow members of the Virginia congressional delegation in honoring Tommy Downing, who represented the Tidewater Peninsula for 18 years from 1959 to 1977.

While Congressman Downing's record of long public service and work in the House of Representatives preceded most of today's Members, including myself, the impact and achievements of his career will long be remembered. I would like to say a few words today to acknowledge the career of this dedicated public servant.

A graduate of Virginia Military Institute, Congressman Downing, who was an Army captain, led an Army reconnaissance team in World War II. On August 11, 1944, his unit in northern France was ambushed by the German troops. After the initial exchange of gunfire, two of his troops were injured. Congressman Downing immediately rescued them, and received the Silver Star, which said, "Captain Downing, without hesitation and with utter disregard for his personal safety, ran to the aid of his men among a hail of bullets."

Mr. Downing was first elected in 1958, and is especially remembered for his dedication to his district, especially Newport News Shipbuilding. He recognized early on the great

economic impact the Newport News shipyard had on his district and on the state of Virginia. During his tenure, the shipyard added the area known as the Northyard, making it easier and more cost-effective to build some of the largest ships in the world.

Congressman Downing is also remembered nationally for his work following the assassinations of President John F. Kennedy and Martin Luther King Jr. During the 94th Congress he served as the chairman of the select Committee on Assassinations.

Finally, Congressman Downing made significant achievements in strengthening and modernizing the U.S. Merchant Marine Service. As chair of the House Merchant Marine Subcommittee he helped craft major legislation to overhaul and modernize the merchant marines. The Merchant Marine Act of 1970 was a significant promotion of our national security interests.

In short, Congressman Downing served the Commonwealth of Virginia and the country with distinction. Again, on behalf of the entire House, we would extend our condolences on his family and friends. Our nation, the state of Virginia and the Tidewater Peninsula will truly miss him.

#### FORMER REPRESENTATIVE THOMAS N. DOWNING

#### HON. ROBERT C. SCOTT

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 15, 2001

Mr. SCOTT. Mr. Speaker, I rise today to join my colleagues in paying tribute to former Congressman Thomas N. Downing.

Tom represented Virginia's First Congressional District from 1959 to 1977. He represented part of what is now the First and Third Congressional Districts, and part, at one time, of the Second.

Tom began his public service career in the military. In 1940, he graduated from Virginia Military Institute. From 1942 to 1946, he served as the troop commander of the Mechanized Cavalry with Third United States Army and commanded the first troops in the Third Army to invade Germany. For his exemplary service involving the rescue of two of his men during a reconnaissance operation in Northern France, Tom was awarded the Silver Star. The citation accompanying the Silver Star read in part "Captain Downing, without hesitation, and with utter disregard for his personal safety, ran to the aid of his men among a hail of bullets."

After his service in the military, Tom would return to school to earn his law degree from the University of Virginia. He practiced law in Hampton for 11 years and also served as a substitute judge of the municipal court for the City of Warwick prior to his election to the Eighty-sixth Congress in 1958. He would serve eight succeeding Congresses with little opposition. While in Congress he was a member of the Merchant Marine and Fisheries Committee and the Space Science and Technology Committee.

During his career in Congress, he represented the Commonwealth and the First Congressional District with distinction. He worked to ensure the future of Newport News Shipyard and was instrumental in the yard's

acquisition of the North Yard for its expansion. As a senior lawmaker on the Committee on Merchant Marine and Fisheries, Tom had significant expertise in maritime issues and played a major role in crafting legislation.

On that Committee, he was a strong advocate of building a strong and modern U.S. Merchant Marine Service for this country's national security. Tom served as Chair of the Merchant Marine Subcommittee. As Chair, he presided over and helped to craft major legislation to overhaul and modernize the merchant marines. The Merchant Marine Act of 1970 was one of his signature pieces of legislation and was designed to renovate the American Merchant Navy by 1980.

In addition to his work on merchant marine issues on that Committee, he also played a prominent role in crafting legislation that sought to preserve the resources of our oceans and waterways. He played a leading role in the implementation of the Ocean Dumping Convention and in extending U.S. fishing rights to the 200 mile limit bill. He also played a role in crafting the Deep Water Port Act as well as legislation on deep sea bed mining. At the time of his retirement from the House, one of his colleagues called him the "premier expert on the problems of the Nation's maritime commerce and its commercial fisheries industry."

As the Chairman of the NASA Oversight Subcommittee of the then Space Science and Technology Committee, his interests in scientific research made him a national leader of the space effort. On that Subcommittee, he also represented the interests of NASA Langley Research Center located in Hampton, Virginia.

Tom Downing also made a gift to future generations of Virginians and North Carolinians through his efforts to create the Assateague Island National Seashore Park and the Great Dismal Swamp National Wildlife Refuge.

In the Ninety-Fourth Congress, his colleagues called upon him to chair the prominent Select Committee on Assassinations that launched new investigations into the assassinations of President John F. Kennedy and the Rev. Martin Luther King, Jr. He had been a leading critic of the Warren Commission and was the author of the 1976 legislation to reopen investigation into both cases. Even knowing of his retirement, his colleagues could think of no other Member who could have served in that post with his ability and integrity during the nation's time of turmoil.

As the dean of the Virginia Delegation at the time, Tom Downing helped to set the tone and tradition of our delegation today. He consistently sought and achieved joint action by Members of the delegation, irrespective of party affiliation, to deal with matters affecting the entire State. Today, we still honor that tradition and work together as a delegation to speak with one voice for Virginia's interests.

Even after his lengthy service in Congress, Tom Downing continued his commitment to public service. He served on the Board of Visitors of the Virginia Military Institute from 1985 to 1993 and served as President of the Board of Directors of The Mariners' Museum.

Mr. Speaker, Tom Downing served in this body as a true statesman and Virginia gentleman. He was a good friend to everyone on the Virginia Peninsula and he will be sorely missed.

IN MEMORY OF FORMER U.S. REPRESENTATIVE THOMAS DOWNING

### HON. JO ANN DAVIS

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 15, 2001*

Mrs. JO ANN DAVIS of Virginia. Mr. Speaker, today I take the opportunity to honor the memory of former United States Representative Thomas Downing, who passed away Tuesday, November 6, 2001.

Tom Downing was a strong and effective representative of Virginia's First District, and served the people well. He was a true friend of the military and an American patriot. Tom was loved by both Democrat and Republican alike. His passion was not about partisan politics—it was about Virginia, and he served the Commonwealth well.

Mr. Speaker, it is a great honor to represent the First District, which Tom did admirably with class, passion and an unyielding love for country. Representative Downing will be remembered not only for his service in Congress, but for his devoted military service as well.

A true war hero, Tom will be missed, but we will never forget his contributions to Virginia, and to our nation as a whole.

IN MEMORY OF VIRGINIA CONGRESSMAN THOMAS N. DOWNING

### HON. J. RANDY FORBES

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 15, 2001*

Mr. FORBES. Mr. Speaker, I rise today to join my colleagues in honoring the memory of a former Member of Congress and pivotal Tidewater politician, Thomas N. Downing.

Congressman Downing represented Tidewater Virginia for eighteen years. He was well-known for his affability with his colleagues and his tenacity in representing his constituents. In particular, he was a staunch supporter of Newport News Shipbuilding, which was and is a cornerstone of the Tidewater economy and of our nation's military readiness. It was Tom Downing's support and assistance that helped to expand and improve that company's ability to contribute so much to national defense and local jobs.

His interest in Newport News Shipbuilding was far more than parochial, it was patriotic. Tom Downing was a graduate of Virginia Military Institute (VMI), a decorated veteran of World War II, and a patriot in the truest sense of the word. He graduated from VMI in 1940 and four years later was commanding mechanized cavalry troops and Army reconnaissance during the liberation of France and sweep across Germany. Tom Downing's personal bravery in rescuing two of his men who were injured during a German ambush earned him the Silver Star.

His legacy in Congress is no less impressive. Newport News Daily Press summed his service in these hallowed halls up best: "[In Congress] he truly hit his stride. He was a natural. Few congressmen have served their constituents better. Just ask the shipyard. Or NASA. Or the watermen. Or any of thousands of individuals and institutions that Mr. Downing

helped during his eight terms. Fiscally conservative? Of course. Integrity? From head to toe. But it was the kindness of the man that most recall about Tom Downing. He liked people and vice-versa. . . ."

His memory lives on in Tidewater's strength and in the lives of those his service touched. Tom Downing will be missed, but not forgotten.

### HONORING CONGRESSMAN THOMAS DOWNING

### HON. EDWARD L. SCHROCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 15, 2001*

Mr. SCHROCK. Mr. Speaker, I rise today to join my colleagues in honoring the life of Congressman Thomas Downing. Congressman Downing served Virginia's First District as a member of this body from 1959 to 1977, and represented parts of the peninsula and the Eastern Shore that will soon become part of Virginia's Second Congressional District.

Congressman Downing brought with him to Congress a keen, first-hand knowledge of the military and the need for readiness. He was a decorated veteran and hero, having commanded some of the first troops to invade Germany. He was awarded the Silver Star for saving two of his company men after an ambush by German troops.

During his service in Congress, he used this knowledge of the military to help create a military more prepared for combat. He helped Newport News Shipbuilding expand and build the North Yard, which allowed them to build larger ships and to allow for a stronger and more prepared American Navy.

Congressman Downing is perhaps best known for his work following the assassinations of President John F. Kennedy and Dr. Martin Luther King. During the 94th Congress, he served as the Chairman of the Select Committee on Assassinations. His own curiosity in the matters fueled a vigorous investigation and numerous new theories to explain the circumstances surrounding President Kennedy's assassination.

Following his retirement from the House, Congressman Downing continued to serve the Commonwealth of Virginia and our nation, as a member of the Board of Visitors for his alma mater, the Virginia Military Institute, and as President of the Board of Directors of the Mariners' Museum.

Throughout his life and during his service as a member of this House, Congressman Thomas Downing was a true public servant and a great Virginian. Our nation, the Commonwealth, and Hampton Roads will all miss him.

### THE PASSING OF FORMER VIRGINIA CONGRESSMAN TOM DOWNING

### HON. TOM DAVIS

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 15, 2001*

Mr. TOM DAVIS of Virginia. Mr. Speaker, I rise today to pay tribute to a gracious friend and champion of the citizens of the Virginia

Peninsula, former Congressman of Virginia's First Congressional District, Tom Downing.

Tom was a true gentleman and a great patriot. Representing the Peninsula in Congress from 1959 to 1977, he helped Newport News Shipbuilding gain approval for expansion, which made it easier and more cost effective for the shipyard to construct some of the largest ships in the world.

Tom was also well known for his firm belief that Lee Harvey Oswald did not act alone in assassinating President John Kennedy. He convinced Congress to open a second investigation into the death of the President. While he retired before the panel began its work, Tom remained convinced until his recent death that the footage on the Zapruder film held the answers.

Born in Newport News, Virginia on February 1, 1919, Tom was a graduate of Newport News High School, received a B.S. degree from Virginia Military Institute and a law degree from the University of Virginia. He served in World War II as a combat troop commander of Mechanized Cavalry with Gen. George Patton's Third U.S. Army and commanded the first troops in the Third Army to invade Germany. He received a Silver Star for gallantry in action in France when his unit was ambushed by a German patrol. He rescued two of his men who were wounded during the initial exchange of gunfire.

Tom Downing was re-elected to Congress eight times, with little trouble and often unopposed. During his tenure in Congress, Tom recognized more than anyone the great economic impact the Newport News shipyard had on his district. He twice considered running for higher office—U.S. Senate in 1966 and governor a few years later—but decided against both. This body benefited greatly from those decisions.

Mr. Speaker, I mourn the recent loss of our friend and former colleague. Tom lived his life with exuberance and passion for serving his beloved Virginia. He was a true leader on behalf of all Virginians and Americans.

### TRIBUTE TO EDWARD S. GRYCZYNSKI

### HON. BOB STUMP

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 15, 2001*

Mr. STUMP. Mr. Speaker, I rise today to pay tribute to an exceptional leader and American Patriot, LTC Edward S. Gryczynski, U.S. Army, Retired, in recognition of an outstanding career in service to his country.

LTC Gryczynski has a truly distinguished record, including over 22 years of commissioned service in the U.S. Army uniform, which certainly merits special recognition on the occasion of his retirement from his position as Director of Personal Affairs for The Retired Officers Association.

He entered the Army in June 1961 through LaSalle College's ROTC Program and was commissioned as a second lieutenant in the Air Defense Artillery. In 1965, he transferred to the Adjutant General Corps and was integrated in the regular Army in 1966.

Colonel Gryczynski served in a variety of positions in the administrative and personnel management fields, including assignments as
